A HUGE THANK YOU

To: Kevin, Andrew, Dan and the Team

Thank you so much for our new "Sensory Studio". The photos, that I have sent you, don't do the room justice! I have taken a group of students in for the first time, this afternoon (Friday) and it was just lovely to see their reaction. They are thrilled with the room.

But no-one is as pleased as I am, I can't stress that enough! All the hard work, stress and fundraising has paid off and we have a magical place!

Thanks a million

Michelle 😊
